**Opinion on the Financial Statements**

We have audited the accompanying statement of financial condition of Grant Williams, LP (the "Company"), as of December 31, 2019, and the related statements of operations, changes in partners' equity and cash flows for the year then ended, and the related notes and supplementary information (collectively referred to as the "financial statements"). In our opinion, the financial statements present fairly, in all material respects, the financial position of the Company as of December 31, 2019, and the results of its operations and its cash flows for the year ended December 31, 2019, in conformity with accounting principles generally accepted in the United States of America.

**Basis for Opinion**

These financial statements are the responsibility of the Company's management. Our responsibility is to express an opinion on these financial statements based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) ("PCAOB") and are required to be independent with respect to the Company in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statements, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

**Auditor's Report on Supplementary Information**

The supplementary information, the Computation of Net Capital under Rule 15c3-1 of the Securities and Exchange Commission and the Computation for Determination of Reserve Requirements and Information Relating to Possession or Control Requirements Under Rule 15c3-3 of the Securities and Exchange Commission OR contained in schedules I and II, has been subjected to audit procedures performed in conjunction with the audit of the Company's financial statements. The supplementary information is the responsibility of the Company's management. Our audit procedures included determining whether the supplementary information reconciles to the financial statements or the underlying accounting and other records, as applicable, and performing procedures to test the completeness and accuracy of the information presented in the supplementary information. In forming our opinion on the supplementary information, we evaluated whether the supplementary information, including its form and content, is

presented in conformity with 17 C.F.R. § 240.17a-5. In our opinion, the supplementary information is fairly stated, in all material respects, in relation to the financial statements as a whole.

**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019**

**NOTE 1 – SIGNIFICANT ACCOUNTING POLICIES**

(a) Organization and Nature of Business:

Grant Williams, L.P., (the "Company"), a Pennsylvania Limited Partnership, is a securities broker-dealer registered with the Securities and Exchange Commission (SEC) and is a member of the Financial Industry Regulatory Authority (FINRA). The Company provides securities services including executing principal transactions, agency transactions and offering advisory services.

(b) Basis of Presentation:

The accompanying financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America ("GAAP").

(c) Use of Estimates:

The presentation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

(d) Revenue:

Mutual Fund Fees received (12b-1 fees) are recognized as income by the Company as received from the Fund Company. The company generates most of its revenue by investment banking and management advisory fees.

(e) Furniture and Equipment:

Furniture and equipment are stated at cost. Depreciation is provided using the straight-line method over the estimated useful lives of related assets, ranging between 3 and 10 years.

(f) Revenue Recognition

Although total revenues may not be materially impacted, management notes changes to the disclosures based on the additional requirements prescribed by ASC 606. These new disclosures include information regarding the judgments used in evaluation when and how revenue is recognized and disclosures related to contract assets and liabilities.

**GRANT WILLIAMS, L.P.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019**

**NOTE 2 – SUBORDINATED BORROWINGS**

The borrowings under subordination agreements with a limited partner at December 31, 2019, are listed in the following:

Subordinated Notes, 9 percent, due March 31, 2020	75,000
Total	<u>\$ 75,000</u>

The subordinated borrowings are allowable in computing net capital under the SEC's uniform net capital rule. To the extent such borrowings are required for the Company's continued compliance with minimum net capital requirements, they may not be repaid. The subordinated borrowing will not be renewed on March 31, 2020. The company's intention is to convert the \$75,000 to equity capital.

**NOTE 3 – CONCENTRATIONS OF CREDIT RISK AND OTHER MATTERS**

The Company keeps its cash with high credit quality financial institutions. The account balances may exceed the FDIC insurance limit.

Monitoring procedures are utilized to minimize the risk of loss from accounts receivable. The company generally does not require collateral or other security from its investment banking customers. During the fiscal year ended December 31, 2019 the company recognized approximately 98% of its revenue from three customers.

**NOTE 4 – NET CAPITAL REQUIREMENT**

The Company is subject to the Securities and Exchange Commission Uniform Net Capital Rule (Rule 15c3-1), which requires the maintenance of minimum net capital and requires that the ratio of the aggregate indebtedness to net capital, both as defined, shall not exceed 15 to 1 and the Company's debt to debt-equity ratio shall not exceed 70%. At December 31, 2019, the Company had total net capital of \$100,603 which was \$95,603 more than its minimum net capital requirement of \$5,000. In addition, the Company's ratio of aggregate indebtedness to net capital was 10.47 to 1 and its debt to debt equity ratio was 63% at December 31, 2019. Management anticipates that the partners will provide sufficient capital to ensure compliance with the SEC Net Capital Rule.

**GRANT WILLIAMS, L.P.**  
**NOTES TO FINANCIAL STATEMENTS**  
**DECEMBER 31, 2019**

**NOTE 5 – INCOME TAXES**

The Company is taxed for federal and state purposes as a partnership. As a result, the Company is not a taxpaying entity for federal or state income tax purposes and, accordingly, no income tax expense or tax benefit has been recorded in these financial statements. Income or losses from the Company are reflected on the Partners' income tax returns.

Federal, state and local income tax returns for years prior to 2015 are no longer subject to examination by tax authorities.

**NOTE 6 – SUBSEQUENT EVENT**

In preparing these financial statements, the company evaluates events occurring after the date of the financial statements to consider whether or not the impact of such events needs to be reflected and or disclosed on the financial statements. Such evaluation is performed through February 24, 2020. Based on the definition and requirements of the Subsequent Event Topics of FSAB accounting standards codification, management of Grant Williams, LP is not aware of any subsequent events that would require disclosure in the financial statements.

**NOTE 7 - RECENT ACCOUNTING PRONOUNCEMENTS**

In August 2015, the FASB issued ASU 2015-14, Revenue from Contracts with Customers (Topic 606), requiring an entity to recognize the amount of revenue to which it expects to be entitled for the transfer of promised goods or services to customers. The updated standard will replace most existing revenue recognition guidance in U.S. GAAP when it becomes effective and permits the use of either a full retrospective or retrospective with cumulative effect transition method. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has selected a transition method to recognize a cumulative effective change to opening members equity in the year of adoption of the standard. As a result of this method, the Company will have no change to members equity as of January 1, 2018. In February 2016, the FASB issued ASU 2016-02, Leases (Topic 842) to increase transparency and comparability among organizations by recognizing lease assets and lease liabilities on the balance sheet and disclosing key information about leasing arrangements. Under ASU 2016-02, a lessee will recognize in the statement of financial position a liability to make lease payments and a right-to-use asset representing its right to use the underlying asset for the lease term. The updated standard will be effective for annual reporting periods beginning after December 15, 2018. The Company has not yet selected a transition method and is currently evaluating the effect that the updated standard will have on its financial statements. The company did not have a lease commitment during 2019 and does not have one for 2020.

We have reviewed management's statements, included in the accompanying Exemption Report, on which identified the following provisions of 17 C.F.R. ~15c3-3(k) under which Grant Williams LP claimed an exemption from 17 C.F.R. ~240.15c3-3:(2)(ii). SEC Rule 15c3-3(k)(2)(ii) and Grant Williams LP stated that Grant Williams LP met the identified exemption provisions throughout the most recent fiscal year without exception.
